

# WOORINEN SOUTH & DISTRICT

Woorinen South and District is a community of some 600 people (2016 Census) located 10kms to the North West from Swan Hill. The area is surrounded in horticulture farms, producing a variety of cereal grains, stone fruits, grapes (wine and table), nuts and vegetables. During the season, fruit freshly picked from the trees is available for sale direct to the public.

The community of Woorinen South and District supports a Pre-School with a Maternal Health Centre attached and a thriving Primary School with around 90 students. We have a Post Office/General Store, local Tavern and a privately owned historical museum within Woorinen South and District, which is available for viewing by appointment.

You have the option to get out and enjoy the fresh air and take a stroll through our Bush Reserve either by yourself or with your 4 legged friend and the playground and skate park is a great area for parents to relax while the kids play. For those that enjoy working out the exercise machines are there for you to make full use of.

Our Community Hall with BBQ Facilities attached holds a variety of functions and is available for hire through Swan Hill Rural City Council.

Our Woorinen South oval which is used every year, in the first week of April when our Mallee Steam & Oil Machinery Club, hold their annual rally and again in June for our Annual Winter Festival. Our local CFA are very active in our community and help with all events and Christmas morning they turn out with Father Christmas to deliver surprises to our local youngsters.

Close by we have the Woorinen Football, Netball and Cricket Clubs, that have new club rooms and offer a family friendly environment.

**1st weekend in April** - Mallee Steam & Oil Machinery Club TRACTOR PULL

**June** - Winter Festival

**Christmas Day** - Santa Run
