Dear Parents,

Work is in progress for this year's School Magazine. (Thank you Emily).

We have these professionally printed in full colour, which look fantastic. They are a great keepsake with lots of photos of our school year and capture some work of every student.

Could you please complete the tear off slip below and return to school as soon as possible. (Even if you don't wish to order a copy). I need to know how many copies to get printed. Please let me know also if you would like more than one copy.

The cost of the magazine will be \$25 per copy. This year we are asking all families to pay this money with your order please as in the last couple of years some have ordered a copy and then not paid for them. This money can come out of your account if you like. I will not order any extra copies so if you wish to receive a copy you will need to return the slip below and pay as soon as possible please.

Please contact me if you have any questions. There is a display of previous year's magazines at the office if you would like to come in and have a look.

Regards,

Barb Lewis.
